

Team Evaluation for MEMS 1049 Projects

Group # 2

This information will be kept confidential (I will not share it with your teammates), and it *will* be considered in determining your project grade.

Your Name: Zach Kushner

Your Teammates' Names: Lily Tibaldi,
Mike Armstrong,

What tasks did you do in completing your MEMS 1049 final project?

Cad design, Stepper motor coding, stepper motor mechanism design

What tasks did your teammates do in completing your MEMS 1049 project?

DC motor coding, cad designs, force sensor coding

Of the total effort and knowledge applied toward achieving the final grade on your project, how much is attributable to you and how much is attributable to your teammates?

My Contribution	=	<u>50</u>	%
<u>Lily</u> 's Contribution	=	<u>50</u>	%
<u>Mike</u> 's Contribution	=	<u>0</u>	%
_____'s Contribution	=	_____	%

Total Contribution = 100 %
